

AIG Statement SeriesSM: Refined Exclusions

As exclusions restrict the scope of coverage provided by an insurance policy, it is important that they are as precise as possible. AIG Statement Series policies refine their respective exclusions in several ways.

Exclusion Preamble

AIG Statement Series policies remove the traditional 'in connection with' any claim condition from the exclusion preamble of 'for' and absolute preface exclusions.

'For' Preface Exclusions

- **Traditional policies:** The Insurer shall not be liable to make any payment for Loss *in connection with any Claim* for emotional distress.
- **Statement Series policies:** The Insurer shall not be liable to make any payment for Loss for emotional distress.

Absolute Preface Exclusions

- **Traditional policies:** The Insurer shall not be liable to make any payment for Loss *in connection with any Claim* alleging, arising out of, based upon or attributable to any pending or prior litigation.
- **Statement Series policies:** The Insurer shall not be liable to make any payment for Loss alleging, arising out of, based upon, or attributable to any pending or prior litigation.
- **Traditional policies:** The Insurer shall not be liable to make any payment for Loss *in connection with any Claim* that is brought by or on behalf of any Organization against any Insured.
- **Statement Series policies:** The Insurer shall not be liable to make any payment for Loss *in connection with any Claim* that is brought by or on behalf of any Organization against any Insured.

Wrongful Profit and Conduct Exclusions

AIG Statement Series policies apply the wrongful profit and conduct exclusions only when the excluded wrongdoing is established by a final, non-appealable adjudication in *the underlying action or proceeding*.

Entity versus Insured (EVI) Exclusion

AIG Statement Directors & Officers policies include the following simplified exceptions to the EVI exclusion:

- Non-indemnifiable loss
- Loss of insured person in connection with a derivative action
- Loss of insured entity in connection with a derivative action not directed by an insured
- Any claim brought during the time the claimant is in bankruptcy
- Any claim brought outside a common law jurisdiction
- Any compensation clawback claim

All other AIG Statement Series policies* do not include an entity versus insured exclusion.

*Canada and U.S. Directors & Officers Side A, Bermuda Directors & Officers Compensation Clawback, and Bermuda Employment Practices policies
