

Side A Match Enhancement (SAME)

The Side A Match Enhancement (SAME) can be offered to clients who purchase both their primary D&O cover and Side A capacity (lead or excess) from AIG — even if another carrier provides the lead Side A policy. By endorsing the primary AIG D&O policy with the SAME endorsement, the Side A coverage provided by the primary D&O policy will match the breadth of coverage previously only available within the dedicated Side A DIC policy limits. Companies who take advantage of this innovative solution benefit from broad-form Side A Difference in Conditions (DIC) coverage throughout the entire D&O tower.

SAME delivers:

- The same best-in-class AIG Side A DIC coverage from the first dollar of the primary policy
- Consistency of coverage for non-indemnified loss of individuals through all follow form layers of the D&O tower, if the first excess and subsequent excess policies follow SAME

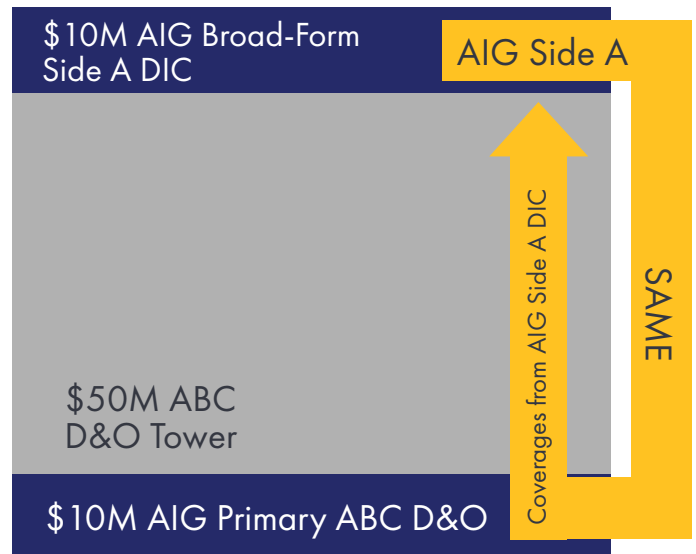

Small or large, D&O towers benefit from the SAME structure by ensuring that the broadest Side A cover is available throughout the D&O tower.

Traditional D&O

Without SAME, only \$10M of broad-form Side A DIC is available.

D&O with SAME

With SAME, the entire \$70M of D&O purchase is inclusive of broad-form Side A DIC.
